### Dues & Donations Invoice Instructions

Please make any corrections to the name(s) and address

#### Dues & Donations

**Line** If this invoice is for more than one person, please indicate the amounts for each member in separate columns

Base Dues - are \$490 per adult member.

Community Support Contribution - the membership committee suggests that everyone contribute \$18 to support those who cannot afford full dues.

Fair Share Additional Dues - as we have for the past few years, we ask that those who are financially in a position to do so contribute an additional amount as part of their dues. We have a recommended amount listed on the attached table, but what you give is up to you and your circumstances.

If you can afford to give an additional donation beyond the dues, please enter the amount on this line. You may also include a dedication such as, in honor of... or in memory of.... In the box to the right of the amount.

**A** Total the four above items on line **A - Sub Total**....

#### Deductions & Discounts

◆ As an incentive for you to send your forms in before the new fiscal year begins, we offer a \$15 reduction for each members whose documents are **received** before June 30.

♎ As an incentive to have you pay your dues and donations is a single payment with no installment billing, we offer a \$15 discount for each member.

♏ In recognition of our diverse family units, we offer a discount of \$20 per family joining together.

If you cannot afford base dues and your circumstances fit one of the three categories below and the discount better enables you to be a member, choose **one** of the discounts of \$245 for each individual.

◆ Full Time Student - you are a full time student and cannot afford base dues.

❖ Age Discount - You are a young professional under 25 and just getting started; or over 65 and on a limited income, and cannot afford base dues.

◆ Geography Discount- You live outside the Washington/Baltimore Metropolitan Area and cannot fully avail yourself of the services of the congregation, but wish to support it through your membership and cannot afford base dues.

⌘ Financial Constraints Adjustment - If after utilizing the above discounts and incentives, your financial situation does not allow you to pay base dues, we still want you as a member. Discuss any additional discount you need with the VP Membership and enter the additional discount amount(s) here.

**B** Total the discounts and incentives in each column, and enter the respective totals on line B.

**C** Subtract the deductions and discounts on line B from the total Dues & Donations on line A. Combine the amounts for all members listed.

#### Payment Information

You can pay in full and take advantage of the discount or you can pay in installments.

You can pay by check or credit card. We prefer checks, but you can use either MasterCard or VISA. The reason for our preference is that the credit card companies charge fees we have to pay that cost us about 3% of the amount charged.

If you choose to pay by credit card please enter the information specified. Please print clearly using block letters and provide all the information requested.

**If you are paying in installments, it is very important that you clearly indicate the \$ amount to be PAID NOW.**

Installment payments can be billed to you or charged to your credit card.

If you choose to be billed, please provide us with an e-mail address at which you would like to receive your monthly statements. If you do not have an e-mail account, we will send statements via US Mail to the address listed at the top of the invoice. You will receive a statement each month, but you can pay on whatever schedule you prefer, monthly, quarterly, randomly. We ask that payment be complete by April 2008. If you have internet banking arrangements and want to set up automatic payments, contact the treasurer - Allan Armus 703-525-4261 or Treasurer@betmish.org - for additional information.

If you choose credit card installments, the amount you indicate to be "**PAID NOW**" will be your first installment. The remaining balance will be divided by the number of installments you choose, not exceeding the number of months remaining through April 2008, and processed monthly. If you would like a different schedule, contact the Treasurer and you can make individual arrangements.

Send the invoice, the corrected data sheet, and **remittance** in the enclosed return envelope to:
